

FATCA and CRS Individual Self-Certification Form

Important

Please read this information before completing the FATCA and CRS forms.

Why we are asking you to complete this form

Foreign Account Tax Compliance Act ("FATCA") and Common Reporting Standard ("CRS") regulations require financial institutions like us to collect and report information about where our customers are tax resident. Under these regulations, we have to ask you to provide the information requested in this form.

About tax residence

Each country/jurisdiction has its own rules for defining tax residence. In general, you are tax resident in the country/jurisdiction where you live. You can be tax resident in a country/jurisdiction without paying tax, for example, if your income is below the threshold. Special circumstances (such as studying abroad, working overseas or extended travel) may cause you to be tax resident elsewhere or tax resident in more than one country/jurisdiction at the same time. For more information on tax residence for CRS, please seek specialist advice or consult the information on the OECD' ('Organisation for Economic Co-operation and Development) website at www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/

What you need to do

You need to complete this form, even if you have given us information about your tax status in the past. If you have a joint account, each of you will need to complete a separate form.

If you need to self-certify on behalf of an entity (which includes companies, trusts and partnerships), complete an 'Entity Self-Certification Form' (CRS-E). Similarly, if you are a controlling person of an entity, complete a 'Controlling Person Self-Certification Form' (CRS-CP). You can find these forms at www.crs.hsbc.com

Completing this form on behalf of someone else

If you are completing this form on behalf of someone else, make sure you tell them that you have done so and tell us in what capacity you are signing in Section 4. For example, you might be completing this form as a custodian or nominee of an account, under a power of attorney or as a legal guardian on behalf of an account holder who is a minor.

What we will do with this information

We will keep a record of this form on your file. If you (or the account holder, if you are completing the form on their behalf) hold an account in one country/jurisdiction but are tax resident in a different country/jurisdiction, we may be legally obliged to pass on the information in this form and other details about your accounts to the Internal Revenue Service (IRS) or the tax authority in the country/jurisdiction where the account is located.

It is important that we hold the right information about you. If any of this information changes, you must tell us by sending us an updated form. You can download a new form from www.crs.hsbc.com or get a copy from your branch.

Before you begin

You will need to have your Tax Identification Number (TIN) or equivalent for each country/jurisdiction where you are tax resident.

A TIN is a unique combination of letters or numbers assigned to you by the country's/jurisdiction's tax authority and is used to identify you for tax purposes. You will normally find it on any letters or correspondence you receive from your tax authority. Some authorities do not issue a TIN, however, they will often use a similar type of number such as a social security/insurance number, or a resident registration number.

If you are not sure of your TIN or its equivalent, further details on acceptable TINs can be found on the OECD' website www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers

Appendix - Definitions

Note: The definitions provided are to assist you with the completion of this form. Further details can be found within the OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (the CRS”), the associated Commentary to the CRS, and domestic guidance which can be found at www.oecd.org/tax/transparency/automaticexchangeofinformation.htm

If you have any questions, please contact your tax adviser or domestic tax authority.

“Account Holder” The term “Account Holder” means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

“Controlling Person” This is a natural person who exercises control over an entity. Where an entity Account Holder is treated as a Passive Non-Financial Entity (‘NFE’) then a Financial Institution must determine whether such Controlling Persons are Reportable Persons. This definition corresponds to the term ‘beneficial owner’ as described in Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

If the account is maintained for an entity of which the individual is a Controlling Person, then the ‘Controlling Person Self-Certification’ form should be completed instead of this form.

“Entity” The term “Entity” means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

“Financial Account” A Financial Account is an account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; Equity and Debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

“Participating Jurisdiction” A Participating Jurisdiction is a jurisdiction with which an agreement is in place pursuant to which it will provide the information set out in the Common Reporting Standard.

“Reportable Account” The term “Reportable Account” means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.

“Reportable Jurisdiction” A Reportable Jurisdiction is a jurisdiction with which an obligation to provide financial account information is in place.

“Reportable Person” A Reportable Person is an individual that is tax resident in a Reportable Jurisdiction under the laws of that jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.

“TIN” (including “functional equivalent”) The term “TIN” means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers/

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a “functional equivalent”). Examples of that type of number include, for individuals, a social security/ insurance number, citizen/personal identification/service code/number, and resident registration number.
